OUTSOURCING TO **ASNY** VS. USING IN-HOUSE STAFF

OUTSOURCING WITH **ASNY**

- ASNY has the capacity to retain and hire experts based on your needs.
- We have an organizational focus on the training and personal development of all employees, ensuring they're updated with the latest tools for the most efficient solutions.
- ASNY charges an hourly fee for each service. Alternatively, ASNY will work on a retainer bases.

IN HOUSE STAFF

- An individual's expertise is limited to bookkeeping, controller services, or CFO services.
- Companies must provide training and personal development to an individual, which can be expensive and time consuming.
- Hiring someone full time requires your company to pay salary and additional benefits, making it hard to control costs.
